

ACCESS Program

Long lines and frequent office visits are a thing of the past. Peacemakers is now a part of the Department of Children and Families ACCESS Network that offers food stamps, Medicaid, and temporary cash assistance. Save time by coming directly to Trinity Church to meet with a Peacemakers staff member and apply for benefits. In addition to applying for benefits, return information and report changes may also be filled out through Peacemakers. we provide access to Economic Self Sufficiency services including access to paper application forms, internet availability to complete an online application, and phone access to automated ACCESS Information Line or customer call center.
